

City of Columbia has chosen TrenMedia Interactive to develop online home for OBO

Columbia, SC. - Sept, 04 2005 -- TrenMedia Interactive the internet division of TrenMedia Group (www.trenmediainteractive.com) today announced that it has been selected by the City of Columbia to develop the online home for the Office of Business Opportunities. The new website to be launched as www.columbiacool.biz will be the online hub for small and minority businesses located in the City of Columbia. As part of the agreement, TrenMedia interactive will also provide consulting to OBO on how to create a revenue stream from www.columbiacool.biz.

About OBO

The OBO office was formed to encourage the creation, continuous growth, and development of small businesses by providing quality services bridging an array of opportunities. The OBO values corporate and community leaders, who embrace our shared vision of economic inclusion of small businesses that support the continuous growth of the City of Columbia.

About TrenMedia Interactive

TrenMedia Interactive is the interactive division of TrenMedia Group. TrenMedia Interactive specializes in helping businesses understand the importance of creating added value to their company through the use of the internet.
